

Dear MUM Preschool Families,

We wanted to thank our families for your support as we navigate through this unprecedented time. That being said, the COVID cases are rising and Allegheny County has reached a “substantial” level. Local school districts are deciding to go all virtual to help curb the spread of the virus.

The Church’s COVID team met last night to discuss this issue and concerns of larger groups meeting at the church. The church itself has decided to no longer hold Sunday services in-person and limit class sizes to 10 for the building.

We have taken many precautions at our school and will continue to keep our families safe and healthy. The decision was made to extend our Thanksgiving Break starting Monday, November 23<sup>rd</sup> to December 4<sup>th</sup>.

Our plan is to re-evaluate the situation after the holiday, to see if any further decisions need to be made.

We will be sending home academic packets for the children to work on over break.

Please look on our facebook page for any videos or educational activities that may be posted for the children.

We will continue to update families via email or Remind with any changes that may occur.

Last Day of school will be Friday, November 20<sup>th</sup>.

We hope everyone has a safe and happy Thanksgiving with their families.

Thank again for your support and understanding.

MUM Preschool Board and Staff
