

Dear Parents or Guardians,

Every year we prepare a class list that includes the names, addresses, emails, and phone numbers, of the children and their parents. **This list is very useful for families who want to make play-date arrangements or have birthday parties.** The class list will be available at the end of September. If you would like to be included on this list, please check and sign the permission slip below. If you choose to not have your information listed, we will only include your child's name on the list. **Please return this form on your child's orientation day.**
If you would like a copy of the list, please ask your child's teacher. The list will be available upon request.

Thank-You,
