

September Newsletter

We are very excited about the upcoming school year! We have many fun and enriching activities planned for our preschool classes. During the month of September the children are to be brought to and from the classrooms. This gives the teachers an opportunity to know faces and car pool groupings. The children will play in their own rooms for the first ½ hour. Please see the attached schedule for more specific times for each classroom. Also keep in mind that the times are approximated and may vary on different days. Playtime is extended during the first month so the children can adjust to the routine and to learn the rules of each classroom.

In the yellow room we will be creating with torn paper, paper strips, using different types of markers and crayons, and painting with watercolors and tempera paint. In the red room we will be using the large motor equipment, such as the climber, slide, steps, tunnels, blocks, and playing outside games. In the Blue room we will be learning about pets and other dramatic play activities.

The school themes for the month of September are: School, Apples, and Friends.

***In the 4 year old classrooms, show and tell will be on Wednesday for the month of September.** After September, the 4 year old class **will not be having** show and tell, unless otherwise stated for a special occasion. The 4 year old classes will be doing many crafts, activity papers, and weekly readers, to help develop their kindergarten readiness skills. They will be reviewing shapes with both recognition and drawing. They will be learning about position and rhyming words. The 4 year old classes will also begin writing upper and lower case letters in the next few weeks.

*For the Extended Class, Mrs. Proskin will be sending out an additional letter containing class activities and lessons that the class will complete during the afternoon session.

***In the 3 year old classrooms, show and tell will be on Wednesdays for MWF-3year old class and Tuesdays for the T/Th-3 year old class.** In these classes, the children will be learning how to follow directions and a routine, share and play with friends, and participate in activities and crafts. In addition to the school themes, the 3 year old classes will also be learning about nursery rhymes and shapes.

****Please remember to bring a change of clothes in a zip-lock bag and label it with your child's name on it for the first day of school. (A pair of pants, T-shirt, underwear, and socks)**

If you would like to make a donation, we are in need of Clorox wipes, napkins, glue sticks, and copy paper. They can be given to your child's teacher for the school to share. Thank you!

The first full day of school for all MWF classes will be Monday, Sept. 12th and Tuesday, Sept. 13th for the T/Th-3 year old class.

Thank-You and we look forward to a wonderful school year!
